Re: MIDDLETON
Former American Glue and Resin
40 School Street
Release Tracking Number 3-0168

Dear Mr. Irizarry:

This letter is in response to your request to have the Department provide you with a list of the state regulations, which will apply to the removal action conducted at the above referenced site.

The Applicable State Regulations for the project are contained within 310 CMR 30.000 "Hazardous Waste Regulations," issued pursuant to Massachusetts General Laws chapter 21C. The specific regulations that are applicable to this removal project are:

310 CMR 30.304	Offering Wastes for Transportation
310 CMR 30.305	Destination of Hazardous Waste or Regulated Recyclable Material Sent Off-Site
310 CMR 30.310	The Manifest <i>et seq.</i>
310 CMR 30.320	Pre-Transport Requirements <i>et seq.</i>

In addition, the Applicable State Regulations governing the assessment and remediation of releases of oil and hazardous materials to the environment are contained in 310 CMR 40.0000, the Massachusetts Contingency Plan. These regulations were issued pursuant to Massachusetts General Laws chapter 21E, the Massachusetts oil and Hazardous Material Release Prevention and Response Act.

If you have any questions, please contact me at (978) 661-7701.

Sincerely,

Richard J. Chalpin
Regional Engineer
Bureau of Waste Site Cleanup
